If you are one of our lucky winners there is no need to check your numbers as we will notify you by post as soon as possible.

- 3.1. East Anglian Air Ambulance (Trading) Ltd.
Helimed House, Hangar 14

If you subscribe by standing order and you wish to cancel your subscription, it is your responsibility to cancel the standing order with your bank.

We must be notified of a member's death even if the payment is from a joint account. Any refund requested from unused subscriptions will only be payable to the deceased member's estate. Supporting documentation may be required. If any next of kin would like to continue the subscription any unused monies will pass on with the member. They will be given further information regarding payment methods to renew the subscription. (Proof of identity/age/supporting documentation, may be required). If no one wishes to continue the subscription and a refund is not required, the number will cease to be valid and any unused portion of the subscription will be donated to the East Anglian Air Ambulance charity.

When a supporter cancels their lottery membership, if there is a balance on their account, they are entered into the draw until the balance is less than £1. After this the balance will be treated as a donation to the charity. It is noted that the supporter could request a refund for this up to six

months after cancelling. In these cases, the money would be repaid. No provision is made for this due to the immaterial amounts involved.

If you wish to pause your membership for a period of one or more months, and you pay by direct debit, this can be done by contacting the Charity on 03450 669 999, or email info@eaaa.org.uk, or in writing to:

4. Customer funds – segregation and disclosure

Payments received in advance of the lottery draw are accounted for and reconciled monthly with the bank and the lottery software.

We qualify for the basic customer fund rating with regards to holding funds received in advance. The funds are kept in a bank account in the charity, thus separate from the trading subsidiary.

Trustees have deemed this bank account as separate and the funds are not included in the working capital of the charity.

No credit is granted to individual customers. If a customer has not paid, they are not entered into the draw.

New players paying monthly will be debited £5 per play as a first payment of any new Direct Debit instructions, followed by £4.34 per month thereafter. This is to ensure the player holds enough credit in their account in the case of beginning during a '5 week month' period.

Credit of four weeks' play is granted to a small selection of approved lottery agents by means of an invoice.

5. Liability

The Charity cannot accept liability for loss/theft or delays for:

Any payments/ forms/ communications sent by post or email or for any delay in payments through the banking system

Any event beyond the reasonable control of the Charity

6. Data protection
